

# Upgrade Your ZYTO Compass to the ZYTO Balance

## Taking wellness to the next level

Upgrading your Compass to the ZYTO Balance gives you additional features and provides deeper insights to enhance each client's experience.

The Balance not only provides the familiar Compass report, but also offers advanced reports that identify biomarkers such as organs, systems, lifestyle factors, and emotions and their associated dR values.

Gain additional insights into the biological coherence of each client you scan, providing you with further rationale for your recommendations while working with the products you know and trust.

### With the additional information available in the Balance, you'll be able to:

- Improve each client's experience with additional insights
- See how product and oil Virtual Items effect specific biomarkers
- Correlate emotions to parts of the body and systems
- See how parts of the body and systems correlate to each other
- Recommend biologically coherent wellness services
- Offer a more convincing rationale for your recommendations

See what recent customers had to say about their Balance upgrade...

*"I have found the Balance reports to be an incredibly useful addition, as you can see where the products may be supporting your client."*

*"The vertebrae report is very useful because it shows me priorities when I use massage or my oil blends when working physically on different points on the back."*

*"I like to work with the energy of the meridians with kinesiology and reiki, and the TCM report helps to show me the best place to focus with my customers."*

The ZYTO Hand Cradle has been cleared by the FDA for the measurement of galvanic skin response. ZYTO software has not undergone FDA review for effectiveness. ZYTO technologies are not intended to be used in the diagnosis, cure, treatment, mitigation, or prevention of any disease or medical condition, but only provide general wellness information. The diagnosis and treatment of medical conditions should only be undertaken by qualified medical professionals. ZYTO products have not been the subject of controlled clinical trials to establish their effectiveness and their use is not a generally accepted medical practice by the traditional medical establishment. If you have any questions regarding ZYTO technology or our products please contact us at [info@zyto.com](mailto:info@zyto.com).
